Map B - Shaded pink area = extent of your presumed interest(s).

MAP A: If you believe you have any other interest in land shown within the area edged red shaded yellow please **indicate the extents** and add a short note on the map detailing your interests. In any case, please sign and return one copy of the map confirming your interest extent:

MAP B: The shaded pink area is the assumed extent of your land interest and the red edged and/or area shaded light yellow shows the land subject to our research. If the area shaded pink on the attached map does not correctly show your interest extent please **amend one copy and return**.

CITY OF YORK COUNCIL IS NOT PROPOSING TO ACQUIRE ANY PROPERTY OR INTERESTS OUTSIDE THE AREA EDGED RED SHADED YELLOW AS SHOWN ON THE ENCLOSED MAPS.
