

## EARSWICK PARISH COUNCIL

Minutes of the meeting of Earswick Parish Council, held in Earswick Village Hall on Monday 13<sup>th</sup> October 2025.

**Councillors present:** D Jones  
M Lumley-Holmes  
P Leveson  
BS Wiseman  
C Ellis

**Parish Clerk:** B O'Connor

**Members of public present:** 9

**1. Apologies for absence**

Cllr Offler

**2. Declarations of Interest and Any Other Declarations**

Cllr Wiseman declared a non-pecuniary interest in item 11

**3. Minutes of Previous Meetings**

The minutes for the Parish Council (PC) meeting held on the 1<sup>st</sup> September 2025 were approved as accurate records by the Councillors and duly signed.

**4. Members Of The Public Session**

Several concerns about the planning application relating to 229 Strensall Road were expressed. The main ones being:

- Large number of houses being proposed in an area where currently there is just a bungalow
- The development is not in keeping with surrounding area
- Impact on bio-diversity
- Ability of infrastructure to support new dwellings

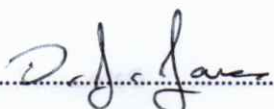

**5. Planning Application 25/01771/FULM- 229 Strensall Road. Erection of 14no. dwellings with associated access and landscaping following demolition of existing bungalow.**

It was unanimously agreed that we object to this planning application because:

- It is not in keeping with the Neighbourhood Plan for Earswick in that the application does not take into account the need for affordable housing.
- It does not state how it will improve bio-diversity by 10% - this should be measured against the site before most of the trees were chopped down earlier this year.

In addition, Earswick Parish Council has concerns about:

- The number of car parking spaces is likely to be too few for the number of dwellings proposed.
- The capacity of the foul water/sewage system – we already have problems at times in Earswick
- The safety of access onto Strensall Road. The front boundary of nos 10,11 & 12 which comprises a stone wall with metal railings above should be set back towards the houses by at least two metres with a grassed area between the wall and the footpath (with a covenant it must remain grassed with no tree or shrub planting). This would significantly improve line of site for both the existing and new road entrances and reduce the risk of accidents.

The clerk was asked to write to CYC. **Action: BOC**

At this point 8 members of the public left the meeting.

**6. Planning Application– 25/01901/FUL Land to the west of Strensall Road. Erection of 2no. dwellings with associated access, landscaping and boundary treatment following demolition of existing stable building**

It was agreed that Earswick Parish Council object to this planning application because it does not specify that the gardens associated with these properties must stay designated as part of the green belt. This restriction already applies to some properties within Earswick. The clerk was asked to write to CYC. **Action: BOC**
